

OLEFINS MARKET APPLICATIONS TABLE

Ex-Tech's DuraTech™ Olefins are suitable for thermoforming a wide array of products. They exhibit chemical and heat resistance that ensure your plastic products begin with the finest base materials.

Our focus is on custom sheet products that meet the most exacting production standards. Ex-Tech Plastic's custom sheet extrusion expertise allows you to explore new processes or product characteristics, ensuring that your product performs to you and your customer's specifications. In the end, it's all about adding value to all of your plastic products.

Take a look at the range of Olefin products Ex-Tech offers. If we don't have what you're looking for, give us a call at 847. 829.8100 and we'll figure out how to make it for you.

Materials	Characteristics	End-Uses
DuraTech 6000 PP Co-Polymer	<ul style="list-style-type: none"> • High heat tolerance • Available in natural, ultra-clear or custom colors • Chemical resistant • High impact strength at low temps 	<ul style="list-style-type: none"> • Retail packaging • Food packaging • Trays • Freezer to microwave
DuraTech 6100 PP Homo-Polymer	<ul style="list-style-type: none"> • High heat tolerance • Available in natural, or a variety of colors • Chemical resistant 	<ul style="list-style-type: none"> • Retail packaging • Food packaging • Trays
DuraTech 6100 EVOH Laminated PP	<ul style="list-style-type: none"> • High heat tolerance • Superior Oxygen and moisture barrier properties • Available in natural, or a variety of colors 	<ul style="list-style-type: none"> • Food packaging where extended shelf life is the main goal
DuraTech 6000 Mineral Filled PP	<ul style="list-style-type: none"> • Improved heat deflection • Improved impact strength • Improved thermal conductivity • Cost savings over traditional PP 	<ul style="list-style-type: none"> • Food packaging • Retail packaging
DuraTech 7000 HDPE	<ul style="list-style-type: none"> • High impact strength • High moisture resistance • Chemical resistant 	<ul style="list-style-type: none"> • Retail packaging • Food packaging
